

Hi. I'm Mrs. Martin

I am looking forward to returning as the Preschool Aide this year working alongside Mrs. Theobald and Mrs Williams. I enjoy working with the 3, 4, and 5 year- olds. It is exciting to be a part of their growth and development and see how they change from the beginning to the end of the year. They never cease to amaze me with all of the things that they learn!

I live in Bartlett with my husband, Jim. I have three children, all of whom graduated from SIS. My daughter, Jackie, graduated from Loyola and is a science teacher and theater director at St. Isaac Jogues in Hinsdale. My middle child, Shawn, graduated from Northwestern with a degree in computer engineering and works for a company based in Iowa. My youngest, Ryan, recently graduated from St. Francis High School in Wheaton and is studying Bioengineering at University of Illinois at Champaign-Urbana in the fall.

This will be my 6th year as a Preschool Aide at SIS. Prior to that, I was a substitute teacher at SIS and various public school districts for six years. I have taught Pre-K thru 8th grade, and I thoroughly enjoy working in the classroom with the little ones. It is an exciting time to be working in the preschool classrooms at SIS, especially with our full-day program!
