

Preschool March Newsletter

What are We Learning:

We will continue our two month adventure learning about community helpers and our community. In March we will explore maps, and where we live.

We have enjoyed working on our STREAM Projects, building a winter home for an animal. We will share them early in March at school and with our parents through Seesaw, before taking them home.

March 2nd is Dr. Seuss's Birthday. Across the country, Read Across America Day is celebrated in his honor. Here at St. Isidore Preschool we will celebrate by enjoying some Dr. Seuss books and activities during the first week of March.

St. Patrick's Day is March 17th. We will celebrate with Kindergarten, on Tuesday, 3/17, with some fun St. Patrick's Day activities.

Religion:

We will be working on our Lent promises to Jesus, by trying to change and grow to be more like Jesus, by caring, helping, loving, sharing, and praying. We will add small, smiley stickers to our Purple Crosses on our Lenten Bulletin Board, for small acts of kindness.

We will love God more by loving one another. We will be learning about Forgiveness and Prayer. We will learn to Pray, talk to God, every day.

We will celebrate Lent and Prepare for Easter.

Reminders:

We understand the weather is very inconsistent. Please continue to dress your child appropriately. We will go outside for recess, unless it is raining or the feels like temperature is below 10 degrees. Continue practicing putting on jackets, coats, and other clothing independently! The full day friends are getting pretty good at this. :)
