

Preschool November Newsletter

What We are Learning:

In November, we will be learning about Turkeys and Thanksgiving. We will continue to learn how living things change and grow. We will use turkeys for counting fun and Letter recognition practice.

In Religion, we will learn about Bible stories. We will hear the Creation Story, and draw and tell things that we are thankful for. We will be listening to Noah's Ark, with several follow-up activities. We will also learn about how God made all people special.

We will be introduced to the Native Americans, the Pilgrims, and the First Thanksgiving Story. We are having a Thanksgiving Celebration/Feast with our Kindergarten friends, on Friday, Nov. 22. We will be the Native Americans, and they will be the Pilgrims. We will enjoy turkey, corn, mashed potatoes, corn muffins, and popcorn, just like they did at the First Thanksgiving.

Reminders:

**As the weather gets colder please practice with your child on independently zipping or buttoning their coats!
Be sure the children are dressed for the weather!!**

Happily Ever After:

We will be completing Unit 3, "La Tortuga", in November. This story is about a wise turtle who plays the flute and dances. We will be focusing on recognition of Ee & Ff.

We will move on to Unit 4, "The Elves and the Shoemaker", also in November. We will focus on Gg & Hh.

We will spend time practicing colors and shapes, as well as parts of a whole, top, middle and bottom.

We will be counting with understanding and recognizing how many are in a set.

Friday, 11/15- Fun Food Friday
