Preschool
September Newsletter

What are We Learning:

We will be learning that God made each of us special. We are all different, but God loves us all the same. We will learn that we are Jesus' friends. We will discuss ways to be a good friend.

We will share our family pictures and discuss how we are alike and different. We will begin to understand how we can help our families, and help our friends and teachers at school in our communities.

We will learn about different feelings and emotions, and how to express them. We will work on following school rules and making good choices.

We will play nice with our friends, learn to share, and have fun together.

Important Dates:

Monday, 9/3 Labor Day No School
Tuesday, 9/7 Fall Picture Day
Friday, 9/14 Fun Food Friday
Friday/Saturday, 9/14/15 Clothing Sale!

Happily Ever After:

We will be reading the first story in Happily Ever After this month. Our first story is "Little Red Riding Hood."

We will be focusing on recognition of Aa and Bb. We will also spend time practicing colors and shapes, as well as position and size concepts and vocabulary.

We will be working with numbers 0-10, and counting to 10 and beyond.

Reminders:

Wednesday and Friday will be our gym days. The children will go to Gym once a week. The way they are split and the day they will be going will vary. We would like the children to wear gym shoes at least on these two days. However, we do go outside for recess each day with the full day students, and we recommend wearing gym shoes every day, for safety and full participation in all Preschool activities. Please be sure your child is dressed for the weather each day, for recess, or in case we decide to go outside or go for a walk…

November Newsletter

What are We Learning:

Pumpkin Life Cycles
Noah's Ark
Thanksgiving

Happily Ever After:

We will be reading The Elves and the Shoemaker. This talk about how the elves help the shoemaker and his wife!
We will be focusing on recognition of G, g H, h. We will also spend time practicing colors and shapes, as well as parts of a whole, top, middle and bottom.
We will be counting with understanding and recognizing how many are in a set.

Third Grade Buddies:

Reminders:

As the weather gets colder please practice with your child on independently zipping or buttoning their coats!
